The Gateway Program

Dear Prospective Adult Learner:

Thank you for your interest in The Gateway Program, an accelerated adult degree completion program in the field of Organizational Management.

For the employed adult learner, this program offers an ideal opportunity to complete a Bachelor of Science degree in three semesters. Professional educators and employers have viewed this program as an exciting and exceptionally effective approach to education.

Tested principles of adult learning theory are incorporated to make all classes stimulating, relevant, challenging, and rewarding. This program package provides an overview and includes program and financial aid applications, recommendation letters and transcript request forms.

If you agree that this program may offer the ideal opportunity for completing your degree, please call the Gateway Program Office to talk to one of our customer service representatives. Upon contacting the program's office, please compile together any diplomas or copies of your transcript(s) to facilitate the evaluation process. Meanwhile, you may want to inquire about any financial assistance your employer is able to provide you.

Please call (919) 516-4572 for upcoming cohort start dates and to reserve a place for you. I look forward to meeting you and welcoming you to this unique program that focuses on the needs of the adult learner.

Sincerely,

*Dr. Anthony C. Grady,
