If you previously signed a Master Promissory Note (MPN) for a PLUS loan, you do not have to complete another MPN, unless your loan was approved with an endorser. The MPN allows a parent to receive additional funding (within eligibility) without signing another note. If you are borrowing the loan for the academic year, your loan will be disbursed in two payments, half Fall & half Spring. If you are borrowing a one semester loan one half at the beginning of the semester and the other half at the midpoint of the semester. You have the right to cancel or reduce your loan within 14 days of the disbursement. You will be responsible for any balance due the University. The loan enters repayment 60 days after the second disbursement. PLUS deferment options are available through your lender.
