FRESHMAN STUDENT REQUIREMENTS

ADMISSION INTO THE FRESHMAN CLASS

Acceptance into the freshman class is generally based upon the applicant’s academic record, SAT and/or ACT, and other supporting documentation illustrating the potential of the student. The University’s SAT code is 5596 and the ACT code is 3152. Admission to the University does not allow acceptance into any particular academic program. Each individual department furnishes acceptance guidelines for their respective areas. Students who are 24 years old or older may be exempt from some freshman requirements and may not be required to submit standardized test scores.

All final transcripts submitted after graduation must bear the signature and/or seal of the official authorized to sign such records. Once submitted, transcripts become the property of the institution and will not be forwarded or returned to the student.
