GORDON HEALTH CENTER HEALTH EXCUSE AND NOTE POLICY

The Gordon Health Center will not provide notes to excuse absences for students missing class or exams due to their visit to the Gordon Health Center, or because they are experiencing an illness.

The Gordon Health Center will also not provide notes to excuse absences for students for medical conditions that were not treated at the Gordon Health Center. If, in the judgment of a health care professional of the Gordon Health Center, the student will be out of class for an extended period of time due to a serious illness or medical condition, the Gordon Health Center will provide an appropriate note to the student.

Examples of serious illnesses or medical conditions may include but are not limited to:

- Mononucleosis, which requires bed rest and/or removal from campus
- Hospitalization and/or surgery
- Severe injury requiring bed rest
- Severe influenza and/or dehydration requiring bed rest
- Highly contagious diseases (sars-cov-2, chicken pox, measles)
