## *University Hymn*

Words and Music by William Augustine Perry, Class of 1902

God of every nation,  
Every race and creed;  
Lord of every creature,  
Every budding seed;  
Friend of every right and  
Foe to every wrong;  
Father, Son, Great Spirit,  
Listen to our song,

So with thankful hearts,  
We worship and adore Thee,  
Father, Son, Great Spirit,  
Holy Trinity.

## *Alma Mater*

“The Blue and White”

Words and Music by William Augustine Perry, Class of 1902

The dark hue of the violet  
The snow white lily's bloom,  
Are emblems of the virtues rare  
That seal all failure's doom;  
That give us courage ever  
To dare to do the right;  
For Alma Mater dear they stand,  
All hail the Blue and White.

## *About Honors Convocation*

Honors Convocation is an annual celebration where the University publicly recognizes and commends students for their distinguished academic achievements. We honor students who have demonstrated academic excellence, leadership, scholarship, and community service.

There are several types of recognitions; some are based on a student's cumulative GPA (across every course and all semesters) or on semester GPA (across all courses for one semester) or on excellence in a particular area of study. The names of the honorees appear in this program for each type of recognition.

To be honored on the President's List of Scholars, students must achieve a cumulative grade point average of 3.65 or higher. Similarly, the Provost's List of Scholars includes students who achieved a cumulative grade point average of 3.00 to 3.64.

Based on a single semester's GPA, students can also be named on the Dean's List for Spring or for Fall or both, if they achieved a grade point average of 3.0 or better during that semester.

Each School within the University presents an award to their outstanding senior who has achieved academic excellence as well as having participated in various other extracurricular activities. Similar criteria are considered for the program awards within each school. First-year traditional students achieving a 4.0 grade point average during their first semester are awarded the Freshman Scholar Certificate. Students are also recognized for their achievements as Honors College Scholars, NCAA Scholar-Athletes and External and Presidential Scholarship recipients. Saint Augustine's University will also recognize members of national honor societies certified by The Association of College Honor Societies.

*To all honored students, their parents and supporters,  
the University extends its sincere congratulations.*

## *Saint Augustine's University Mission Statement*

Saint Augustine's University's mission is to sustain a learning community in which students can prepare academically, socially and spiritually for leadership in a complex, diverse and rapidly changing world.

This program is not an official list of honorees. While every effort is made to ensure accuracy in this program, printing deadlines may prevent inclusion of honorees' names.
